## Escape through the Red Sea!

The people of Israel left Egypt but then saw the Egyptian army far in the distance, speeding after them! They were so afraid and cried out to the Lord to help them. They whined to Moses, “Have you brought us out here to die in the desert because there were not enough graves for us in Egypt? Why did you make us leave Egypt? While we were slaves, we told you to leave us alone. We said it would be better to be slaves to the Egyptians than dead in the wilderness!”

But Moses told the people, “Don’t be afraid. Just **stand where you are and watch**, and you will see the Lord will rescue you today. You will never see these Egyptians again. **The Lord will fight for you, you need only to be still.**”

Then the Lord said to Moses, “Use your rod—hold it out over the water. The sea will open up a path before you, and all the people of Israel shall walk through on dry ground. I will harden the hearts of the Egyptians, and they will go in after you and you will see the honor I will get in defeating Pharaoh and all his armies, chariots, and horsemen. All Egypt shall know that I am Jehovah.”

Then the Angel of God, who was leading the people of Israel, moved the cloud around behind them, and it stood between the people of Israel and the Egyptians. That night, as it changed to a pillar of fire, it gave darkness to the Egyptians but light to the people of Israel! So the Egyptians couldn’t find the Israelis! Meanwhile, Moses stretched his rod over the sea, and the Lord opened up a path through the sea, with walls of water on each side. A strong east wind blew all that night, drying the sea bottom. The people of Israel walked through the sea on dry ground!

# Escape through the Red Sea!

All of Pharaoh's horses, chariots, and horsemen followed them between the walls of water along the bottom of the sea.

But in the early morning Jehovah looked down from the cloud of fire upon the Egyptians, and caused their chariot wheels to come off, and slowed them down. "Let's get out of here!" the Egyptians yelled. "Jehovah is fighting for them and against us."

When all the Israelites were on the other side safely watching, the Lord told Moses, "Stretch out your hand again over the sea. The waters will come back over the Egyptians and their chariots and horsemen." Moses did, and the sea returned to normal when the sun came up.

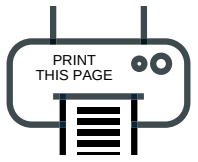

The Egyptians tried to flee, but the Lord drowned them in the sea. The water covered the path, the chariots, and horsemen. Not one of them survived.

**Pssst**  
Jehovah is another  
name  
for God that means  
My Provider!

Jehovah saved Israel that day from the Egyptians. When the people of Israel saw **the mighty miracle the Lord had done for them** against the Egyptians, they understood the Lord's power, and believed in Him, and in His servant Moses.

Then Miriam and the women led all Israel in dancing and singing to the Lord in celebration!

# BE STILL!

TODAY we will practice being **very** still so that God's voice can be **very** LOUD inside of us!

Look at these two pictures

Sit like the guy in the bottom picture

1. sit up
2. hug a pillow
3. close your eyes

Now we are ready to start.

In this position, quietly whisper these words

The Lord  
will fight  
for you;  
you need only  
to be still."

**10X**  
ten times  
slowly  
thinking about what  
you are saying

While I was whispering these words and thinking about them I realized that....  
either print of this sheet and use this space or use a separate piece of paper to write some words.

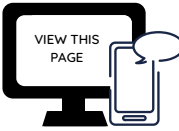

During the service Pastor Kevin will be talking about  
praying for Durham Region.

**Do you live in Pickering?**

**Ajax?**

**Whitby?**
