Just like you slowly began to see the hidden things in the picture, God wants us to slowly see more and more about him as we are wandering through these pandemic days.

I want to learn more
about how

you are
while we are wandering through this pandemic.

Our Remember Rings

Sit down for a few minutes as a family. Come up with a list of 10 things you would like to remember about Jesus as you go about your days this week. Agree on your most important 4 for this week. Write them boldly in the rings and post this up in your house. Remind each other all week of who Jesus is and what he has done!

Exodus 16

BREAD from Heaven

The children of Israel followed Moses into the desert, but there was nothing to eat. They were upset!
'We should have stayed in Egypt,' they cried.

Everyone was hungry. They had nothing to eat!
So, Moses asked God to help them.
'I will send bread from heaven, for the people to eat,' God said.

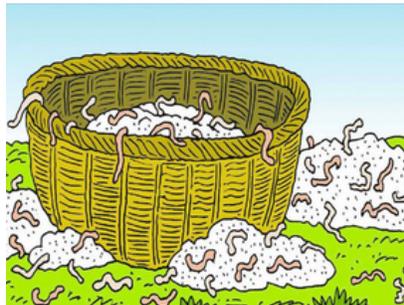

The next morning, the ground was covered with something small and round.
AND TASTY!
'Bread from heaven!' they said.

'God has sent manna for us to eat.'

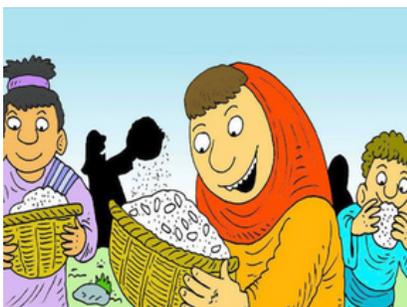

They filled their baskets and took the manna home to cook.
It tasted like honey biscuits.

God said, 'Only take enough for one day.'
But some people didn't **TRUST** God and took more!
Next morning the left over manna was full of **worms!**
YUCK!

A few days later God told Moses, 'Tomorrow is a day to rest and to Thank God.
So, tell the people that today they should get enough manna for **two** days.'

A few days later God told Moses, 'Tomorrow is a day to rest and to Thank God.
So, tell the people that today they should get enough manna for **two** days.'

TRUST!

The people didn't **trust** God. He showed them that they could **TRUST** him. Finish this sentence with your family:
Jesus I trust you to

because _____.

Making Manna

In our story today we learned that God provided manna for the Israelites to eat while they were in the wilderness.

Have you ever wondered what manna tastes like?

The Bible says that manna was a bread that looked and tasted like a wafer with some honey on it.

Follow the Recipe with the help of a parent to make your own version of manna!

Manna Recipe

Ingredients

- Package of Oyster crackers
- 1/4 cup margarine
- 1/4 cup honey

Instructions

Mix honey with margarine and heat until it bubbles. Pour mixture over oyster crackers in a large bowl and toss gently to coat crackers lightly. Let dry.

While you are eating your freshly made manna

think about this:

The Israelites ate manna and quail (a type of bird) for 40 years! Each day, God would provide just what the Israelites needed. They didn't have to worry about what they were going to eat the next day they only needed to put their trust in God.

Some times the Israelites got worried about what they would eat the next day but God reminded them to **trust** him, because He loved them and promised to take care of them.

God loves you, and He promises to take care of you. You don't have to worry about anything! Give your worries to God and trust Him because He cares about you (1 Peter 5:7).

Pray

Dear God, Sometimes I worry about _____, but I want to give that worry to you. I know that you love me and you are taking care of me each day just like you did for the Israelites. Amen

Buy A Word!

Using the chart to your left and the words from this week's memory verse, see if you can find out:

- What word costs the most?
- What word costs the least?
- What word (with more than 2 letters) costs the least?
- How many words can you buy with with \$100; what are the words?
- How much would the whole verse cost?
- If you were on a budget, and you could only buy a few words, what words would you buy to remember the meaning of this verse?
