Chris' Really GREAT Book Recommendation! God's Paintbrush

by Rabbi Sandy Eisenberg Sasso

Children speak about God in ways that are different from adults. They ask many questions about God, questions that can be startlingly direct. Through fantasy, involvement and imagination, Sandy Sasso and Annette Compton invite children of all backgrounds to encounter God openly through moments in their own lives--and help the adults who love them to be a part of that encounter. This book provides a gift of images that nurtures and encourages children in making meaning of their world.

Call To Worship: Elementary

Today we review our year as a family at
Forest Brook Community Church.
Today we look at how God has been
good to us.

BUT HAS HE??
What is the EVIDENCE?

We will be discovering the EVIDENCE all the way through this
booklet.

For now, find the detectives through this booklet. Each one of
them has the clues to one of God's great characteristics.

They finish the sentence "God is _____."
Find them all and fill in the arms of the snowflake by writing
one thing about God that you know is true.

Write Your Own Testimony!

Testimony is a big word that means **your story**. It is a way to share how God has been working in your life. We share what was happening in our life (**before**), then we talk about how God helped, (**then God**) and then we share what changed and how life is better (**and now**).

You can have a summary testimony that talks about your life, or it can be about a specific situation. Use the template below to write your own testimony about something that happened this year!

Testimony comes from the word testament which is a sign or evidence of a specific fact or event. For example the New Testament is evidence of Jesus's life and teaching, and the Old Testament is full of evidence of how God looked after the people of Israel.

Before...

Then God...

And now...

Celebrate how
God has worked

WHAT IS... Evidence?

Signs,
things that you see
that show that something

Story #2

The Book of Ruth

There once was a boy out in the countryside listening to Jesus. Everyone was hungry but hadn't brought food. Everyone except him! He had brought two fish and 5 small loaves of bread. He gave them to Jesus.

Jesus blessed them, and thanked God for providing. Then they handed out his lunch, and handed it out, and handed it out, until 5000 people were full! 14 baskets of food was left over! **FULL? with only 2 fish and 5 loaves? 5000 people?** What do you SEE in this story that is EVIDENCE that God was at work?

Ruth and Naomi were VERY poor and they had no food. Their husbands had died, they had just moved to a new city. They had no help, and they were miserable. **But** they trusted GOD.

Ruth decided to go into the fields and scavenge for left over pieces of barley that the harvesters had dropped. This was HARD work.

The Bible says, "it just so happened" that Ruth chose the field of a man named Boaz.

It just so happened that Boaz knew her family.

It just so happened that he could help Naomi and Ruth.

It just so happened that he was exactly the best person to help them.

It just so happened that if he married her all their problems would be over.

And that is exactly what happened!

What do you SEE in this story that is EVIDENCE that God was at work?

Story #3

Genesis 37-42

Joseph was a boastful young man. He made his brothers angry with his words and they hated how he was the father's favourite. They were SO angry that they kidnapped him, sold him and lied to their father! He became a slave in another country called Egypt.

As a slave, Joseph learned a lot about trusting God, as well as being good at organizing, and being a strong leader.

Many years later, the King of Egypt noticed what a good leader and organizer Joseph was and asked him to save the country from a famine that was coming by storing up food - enough for 7 years!

During the famine, Joseph's brothers came from their home country to get food from Egypt because they were starving. There was no food in their country! They didn't know that it was their brother Joseph who had organized storing up all the food. Because Joseph had done such a good job at saving Egypt, the King invited all of Joseph's family to come to Egypt to live so that they would have enough food, and live!

What do you SEE in this story that is EVIDENCE that God was at work?

**Give thanks

His love endures

There are so many ways to describe God! An attribute is a describing word. It is helpful to use attributes as clues or evidence because they help us think about things differently.

For instance, when we think of God as Creator, we can see evidence of how creative He is in the many kinds of trees, or animals.

Below are just a few attributes of God. How do they help you find evidence of God at work?
