LIT

Looking for a really fun experience that will grow your life-skills AND provide allll the volunteer hours?

Are you between the ages of 13-17 years? (grade 7 completed)

Jump into our Day Camp LiT program this summer - it's going to be awesome!

Complete an online application (see bottom of page)
****first come, first served for week preferences****

What You'll Do:

- You'll take part in our one-week intensive training program with the rest of our team to help get you ready (*book the week of July 10 - it's mandatory!*)
- You'll choose which weeks of our four-week Day Camp program that you want to work for us
- When the big day comes, you'll be paired with one of our paid Day Camp counsellors under the leadership of our Associate/LiT Day Camp Director (aka, "your boss")
- You'll work with that counsellor to provide an excellent camp experience to a small group of kids (who are the real heroes of our camp)
- You'll do all the responsible stuff, like help maintain a safe environment, be a proper role model, show up when you're supposed to, etc.
- You'll be given opportunities to express your own creativity and ideas when it's your turn to lead your group, and even at times with some whole camp activities and experiences

What You'll Bring::

- Your faith. We're a Christian camp so we're eager to model the same love and behaviours as Jesus, so it's really helpful if that's important to you too
- A willingness to learn and try some new things – that may even be a bit outside of your comfort zone
- Your enthusiasm! Little kids are high energy and love to be surrounded by leaders who are high energy as well. They want to have fun at camp and we do too!
- Your willingness to follow directions – this is a team effort and our counsellors and LiT Director will have put a lot of work into preparing for your camp experience, and the kids. Be ready to jump in
- Your commitment to follow through. Once we've signed you up we'll be counting on you to show up when expected
